

# BERKANT CAN ERKANAT

R&D INTERN

Istanbul / Turkey | +905317069833 | berkantcanerkanat44@gmail.com

## PROFILE SUMMARY

I am a 4th-year Electrical and Electronics Engineering student who expects to graduate in Oct. 2022. I am currently doing a short-term internship as an R&D Intern where I contribute to Eclipse Software Defined Vehicle (SDV) project. I am interested in any kind of software development. I am looking for an entry-level job to contribute to operations and projects while developing acquired skills and foundational career knowledge

## WORK EXPERIENCE
